Contributions from this year's event are to benefit the

Seven Gables Roof and Huron City Church Stained Glass Window Restoration Funds

Our efforts continue on these two ambitious undertakings: to restore the roof of Seven Gables and the stained glass windows of the Huron City Church. You can see the wonderful progress that has been made to secure and protect these two beautiful and historic structures. Your support is still needed to complete this work which will endure for generations to come. Visit our Web site to learn more.
